Re: Susan K. Seahorn, Attorney at Law

Dear Colleague:

I am honored to write this letter of recommendation on behalf of my colleague, advisor and friend, Ms. Susan K. Seahorn.

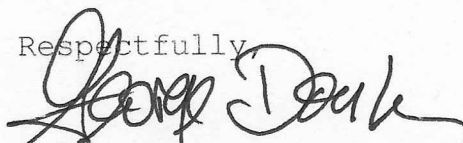

I have known and worked with Ms. Seahorn for over 20 years. My law practice for the last 40 years has been mostly devoted to indigent criminal defense as a private lawyer. If you do this kind of work, an experienced public defender can be your best advisor.

If I had a complicated matter, especially involving sexual assault allegations, I would seek out Ms. Seahorn's assistance. She gave her time to me so that I could better represent these clients. Her advice and counsel had a very positive effect on every case. She provided crucial advice that involved issues relating to pre-indictment all the way to a jury trial and any post trial matters. She was a great resource for expert witnesses and other forensic investigation.

This is hard work and Ms. Seahorn expects the same if you seek her counsel. She is direct and serious. Having Ms. Seahorn consult with you on your cases will enhance your advocacy and improve results.

Please feel free to contact me if I can offer any further information.

Respectfully,

George P. Doyle
